James Q. Reber, OD/PCS

Support for [ ]

STAT

1. As of possible interest and for your information there is attached a memorandum from [ ] regarding a current estimate on [ ]. This is of particular interest because you will recall that in the USIA Survey we chose [ ] for a case study.

STAT

STAT

STAT

2. It seems to me that this should be useful to USIA and others. I will be interested in and expect to find out about USIA's reaction to this report.
